

Swarmfront Buff Catalogue (Draft v1)

This PDF includes the full categorized list of buffs discussed, including production buffs, swarm buffs, tower ability buffs, barracks buffs, vision/fog/reveal buffs, chaos buffs, disruption buffs, defensive buffs, economic/meta buffs, and trick/meme buffs.

Due to space, this is a condensed version of the catalog. Let me know if you want a highly formatted, long-form edition with icons, rarity tags, and layout design.

[Condensed Buff List]

1. Production Buffs:

- Tower Boost
- Global Production Boost
- Hyper Boost
- Queen's Blessing
- Start with more bees (+2/+5/+7)
- Average/Highest Strength Production
- Production Sync

2. Swarm Buffs:

- Swarm Adder (+3/+5/+10)
- Swarm Amplify
- Swarm Splitter
- Reverse Swarm Flow (1 lane / all lanes)

3. Tower Ability Buffs:

- Extended Range
- Rapid Fire / Global Rapid Fire
- Turret Hypercharge
- Overwatch Mode
- Piercing Shot

- NPC Damage Boost

4. Barracks Buffs:

- Barracks Surge
- Barracks Accelerate
- Barracks Ghost Perimeter

5. Vision & Fog Buffs:

- Reveal Fog
- Hide in Fog
- Blind Opponent Fog
- Hide Tower Strength
- Reveal Blade Cuts / Wall Movements

6. Chaos Buffs:

- Stop Blade Cuts
- Force Blade Early
- Delay/Accelerate Wall Shift
- Blade Focus
- Anti-Chaos Shell

7. Disruption Buffs:

- Stop Opponent Production (single/global)
- Stop Opponent Barracks
- Knock Out Next Opponent Buff
- Friendly Fire
- Overheat Tower
- Route Jammer

8. Defensive Buffs:

- Cut Incoming Swarm in Half

- Instant Reinforce
- Tower Shield
- Shock Nullifier
- Emergency Return

9. Economic / Meta Buffs:

- CP Boost
- Loss Protection
- Buff Refund
- Skip Ad
- Double XP
- Tournament Entry Credit

10. Trick / Meme Buffs:

- Bee Stampede
- Fake Surge Alert
- Mirage Tower
- Decoy Blade Sound
- Fog Dance

11. Reverse Flow (Advanced Mechanic):

For the duration, ALL outbound bees must return to hive before any tower resumes attacking. This can create catastrophic lane imbalances if one lane is extremely long. High skill, high chaos, high monetization potential.

Tell me if you want:

- A) Full expanded catalog
- B) Pricing model & rarity design
- C) UI / UX mockups
- D) Loadout declaration system
- E) Balance notes

F) Season pass integration
